Subject: CES Update
Date: Monday, August 04, 2014 9:17:59 AM

I talked to Greg (IKON) this morning to update him on site status and informed him that he should inspect the site prior to mobilizing his equipment since both entrances (Wayland & Griggs) have now been blocked with earthen berms. He is expecting to receive the disposal approval from Clean Harbors today and will notify you prior to mobilization.
